

166

A technical drawing of a lamp. It features a rectangular lampshade at the top, a small cylindrical neck in the middle, and a conical base at the bottom. A horizontal dashed line, labeled 'VISIBLE LIMIT', passes through the top of the conical base. Dimension lines with dots at their ends indicate the following measurements: a width of 166 for the lampshade, a height of 74 from the 'VISIBLE LIMIT' line to the bottom of the base, and a diameter of Ø87 for the base.
